

Erdgas at Swissbau in Basel

<http://messerli3d.com/en/references/detail/erdgas-an-der-swissbau-in-basel/>

The future is green. This message is conveyed clearly to visitors. The stand shows the economical and ecological advantages of natural gas from all angles. The stand was developed in close cooperation between Agor, Reto Melchior GmbH and Messerli.

Client	Verband der Schweizerischen Gasindustrie
Industry	Energy
Type	Mixed stand construction
