

Established & Sons am Milan trade fair 2010

<http://messerli3d.com/en/references/detail/established-sons-moebelmesse-2010/>

At this year's furniture trade fair, the British furniture label presents its exhibits in a temple-like step and tunnel system. The striking understatement of the construction thereby provides the ideal presentation platform for the collection. This project originated in conjunction with the founders of Established & Sons.

Client	Established & Sons
Industry	Furniture / lighting
Type	Customised stand construction
