

# Glas Trösch at Swissbau in Basel

<http://messerli3d.com/en/references/detail/glas-troesch-an-der-swissbau-in-basel/>

Thanks to the successful combination of warm wood and cool glass, the stand provides a pleasant setting with an atmosphere of emotional well being. The stand was constructed by Konform AG according to the design by Gasser Derungs.

Client	Glas Trösch
Industry	Natural material / glass
Type	Customised stand construction
