

# Swisscom at Heso in Solothurn

<http://messerli3d.com/en/references/detail/swisscom-an-der-heso-in-solothurn/>

The presence of the telecommunications giant at the trade fair met with an enthusiastic response from the public. All the elements of the stand were in red, blue and white, combined into a harmonious play on the logo colours.

Client	Swisscom
Industry	IT / telecommunications
Type	Customised stand construction
