

# X-Bionic at Ispo in Munich

<http://messerli3d.com/en/references/detail/x-bionic-an-der-ispo-in-muenchen/>

The new trade fair presence clearly reflects the company philosophy "learning from nature". The design, inspired by bone structures, flows together with the bionic colour scheme into the whole architecture of the stand.

Client	X-Bionic
Industry	Fashion / sport
Type	Customised stand construction
